

Acquisition of Overstreet Insurance

Effective January 5, 2004, Scribner Insurance Agency LLC will be purchasing Overstreet Insurance Agency in Strong City, Kansas. JT Overstreet has been a long-time insurance agent in Chase County and due to health reasons has decided to sell his agency. We look forward to working with our new customers from Overstreet Insurance.

The transition should be seamless for policyholders from Overstreet Insurance. State Auto Insurance Companies and Farmers Alliance Mutual Insurance Companies make up the majority of this agency. Since our agency also uses these two companies these policies will remain exactly the same. Marysville Mutual was the other company for Overstreet Insurance. These customer's policies will be switched to Kansas Mutual Insurance Company as they come up for renewal in 2005. Kansas Mutual Insurance Company is located in Topeka, Kansas and only writes property insurance in the state of Kansas. They have been in business since 1895 and offer solid coverage's, fair premiums, and excellent claim service. Please refer to the Information Links section of our website for more information about Kansas Mutual Insurance Company.

If our present or future customers have any questions or concerns during this transition I hope they won't hesitate to contact our office. We appreciate your business.
